January 11, 2018

To whom it may concern:

It has been my understanding that through the kindness of Dr. Jerome Bettag, the former owner of Valley Ambulatory Surgery Center in St. Charles, Illinois, we Poor Clare Nuns had free service at this facility.

This was our experience until the Center came under the direction of the Surgical Partners.

Sincerely in Christ,

Mother Mary Dorothy Urschaltz, P.C.C.  
Mother Mary Dorothy Urschaltz, PCC
